Application for Membership and/or Petition for the Degrees of Freemasonry

APPLICANT - PLEASE READ BELOW AND THE REVERSE SIDE BEFORE COMPLETING THIS FORM

As the exact nature of the Institution of Freemasonry as practiced by this Grand Lodge may be unknown to you, it is therefore deemed advisable that before you sign this application you should be informed on certain phases of this institution which may effect your decision to apply for membership therein to wit: (1)The Grand Lodge and its subordinate lodges are erected to God and dedicated to the patriarchs (2)Freemasonry has in all ages required that men come to its doors of their own free will and accord; not as a result of importunity nor from feelings of curiosity; but from a favorable opinion of the institution, a desire for knowledge, and a sincerely wish to be of service to their fellow creatures.(3) Freemasonry is not a religion, political organization, or a social club and does not intrude into the affairs of these groups as it has for its foundation the belief in the fatherhood of God, the Brotherhood of man, and the immortality of the soul subordinate to a supreme being, with the Law (Holy Bible) being his inestimable gift to man and that the LAW should be the rule and guide for mans' faith and transactions with mankind. (4) It is a brotherhood pledged to the building of character. (5) Thoughts, words, motives, and deeds are the substance used to achieve these goals. (6)It inculcates the practice of virtue and uses biblical allegories in its teachings. (6)The Institution is not an insurance society nor does it pay benefits in case of sickness or death. (7)It is an educational and charitable institution and it extends such assistance as it is willing and able to grant. (8)It knowingly admits none to membership except those who are able to provide for themselves and those dependant on them.
